Title Production : Motivate the youth and rural communities to be strong and intelligent in the media. The story of community radio Gombrek FM in Jombang
Language : Bahasa (Indonesia)
Duration : 11.55 minutes
A Brief Description : Youth is spearheading the journey of life in a country and a nation. Therefore, personality, intelligence, critical thinking and actions of young people will greatly influence the condition of Indonesia in the future.

With the determination to motivate and reinforce the role of youth in social life, religion and the state, community radio Gombrek FM is present in the middle of the community to bring change for a better life. In commemoration of World Radio Day, we did an interview with Arick Mahardika, Director and one of the managers of community radio Gombrek Fm in Jombang - East Java around the theme “Motivate the youth and rural communities to be strong and intelligent inside media”.
